

APPROXIMATE SCHEDULE OF EVENTS

All times are approximate. Events will begin early if possible. All events will be announced from the booth. Participants should be ready when their events are called. If a participant is called for a track event and a field event at the same time, he/she should first participate in the running event after reporting to the person in charge of the field event. When finished with the running event, he/she should then go to the field event.

Please inform all of your athletes of this procedure.
